HOW TO REGISTER

The period from Monday, December 1st through Friday, December 5th has been set aside for registration for Spring 1987. Please read the following instructions carefully so that you will understand how to register for next semester.

Where To Obtain Your Registration Forms

1. CAS declared majors at major departments.
2. CAS undeclared majors will have forms mailed with instructions.
3. CPCS registration materials can be picked up at Enrollment Services, 1st floor Park Square.
4. Management majors at McCormack Hall, 3rd floor, Room 415.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Physical Education majors at Science Building, 3rd floor, Room 268.
7. Education majors at Science Building, 3rd floor, Room 216.

FORMS MUST BE RETURNED TO THE OFFICE OF REGISTRATION AND RECORDS BY DECEMBER 5, 1986.

- CPCS students should return their forms to the Office of Enrollment Services, 1st floor Park Square.
- Continuing students who do not submit registration forms by December 5, 1986 will be assessed a $25 late registration fee.

Registration Forms

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. Free Time Exempt Form — These forms are used so that students may indicate particular hours during which they do not wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do not want classes scheduled.

   Use of these forms do not enhance your chances of receiving a section that you request, they could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of these forms could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

Semester Schedule Booklets

The schedule booklet is the list of courses that will be offered in the Spring '87 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The University course listing is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES UNTIL ALL FINANCIAL OBLIGATIONS HAVE BEEN CLEARED.

THESE BILLS MUST BE CLEARED BEFORE THE END OF THE ADD/DROP PERIOD, (FEBRUARY 3, 1987) IF REGISTRATION IS TO BE PROCESSED FOR THE SPRING 1987 SEMESTER. AFTER PAYING FOR A PREVIOUS SEMESTER STUDENTS MUST APPLY FOR READMISSION.

HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are penciled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

DEPT.	COURSE SECTION	SCHEDULE NUMBER	TITLE MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR
P-H-I-L-O-S-O-P-H-Y						EXAMPLE 1

	7	146343	MWF 10:30	1-1-054		ANDIC

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

DEPT.	COURSE SECTION	SCHEDULE NUMBER	TITLE MEETING TIMES	BLDG. FLR. RM.	CR	INSTRUCTOR

LAB	1	069119	TU 9:30-12:30	1-1-054		GELB

4. Alternate Choice — Some choices are listed with the notation 'Alternate choice advised'. This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferrable from one choice to another.

IMPORTANT REGISTRATION INFORMATION

Submission of a registration form and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:

1) Reduce your course load during the Add/Drop period or
2) Completely withdraw from the University prior the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:

1) Completely withdraw from the University after the sixth week of classes or
2) Reduce your course load after the Add/Drop period or
3) Receive a grade of "NA" (see below)

Failure to attend classes does not constitute a withdrawal. A withdrawal is an administrative procedure, and a withdrawal form must be completed by the student and submitted to the Office of Registration and Records. If you have not dropped a course by the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of NA (not attending) will be given if your instructor takes attendance and submits the grade of NA to the Office of Registration and Records. Two, if the instructor does not submit an NA list and you do not drop or withdraw from the course you will receive the grade of F. Three, the grade of W if you submit the appropriate course withdrawal form to the Office of Registration and Records by the published deadline.

DO NOT WRITE BELOW THIS LINE

INSTRUCTIONS

Using #2 pencil, fill in one block, (minimum) for each COURSE or Specific SECTION. Up to three blocks may be needed if specific sections of a course with lecture, lab and/or discussion portions are stipulated. Confine marks to designated positions. Do not overlap marked positions.

Blocks eight and nine may be used where the Schedule Booklet indicated "alternate choice advised" because of frequent over-subscription. Otherwise, regular choices can be entered in eight and nine.

If one of these forms cannot describe the particular configuration of your course choices, a second form with additional information may be filed.

Carry completed form to the Appropriate Office.

GENERAL INFORMATION

The N/A grade may be placed on a student's transcript if the student has registered for a course, and did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline. The N/A grade does not affect a student's grade average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

Late Fees: $25.00 charge for all students with a late registration determined by the regsitrar and/or late bill payment of bill clearance.

Cancellation and Refund of Tuition and Fees

Submission of a registration form and acceptance into the course incurrs a financial obligation for that course except as follows: A student who completely withdraws from the university before the sixth week of the semester will be granted a *percentage* refund of tuition and some fees based on refund schedule. (Failure to attend does not constitute a withdrawal). A withdrawal form must be completed by the student. A student who submits a withdrawal form, prior to the start of the semester at the university, will be given a full refund of tuition and fees. After the add/drop period no refund will be given for course load reductions. Students withdrawing completely from the university during the first five weeks of a semester and receiving grades of "W" for all courses will receive partial refunds. After five weeks no other refunds will be issued if any grades including "W", "NA", or Inc. are awarded.

NOTE: M/3/130 (Old Faculty Lounge)

COLLEGE OF MANAGEMENT (CM)
SPRING 1987

Registration Procedures and Information

Registration forms for all College of Management students will be available in the CM Office of Student Services (020/3/415) from 8:30 a.m. to 7 p.m., Monday through Thursday and from 8:30 a.m. to 5 p.m. on Friday during Advance Registration, December 1–December 5, 1986. Completed registration forms must be returned to the Office of the Registrar by 5:00 p.m. on Friday, December 5.

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires written permission of the CM Assistant Dean for Student Services. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above.

Advising

College advisors, as well as peer advisors, will be available in the CM Office of Student Services during the hours listed above to assist CM students with course selection:

Students who have successfully completed a minimum of 60 credits and who have declared a concentration are encouraged to make an appointment to see their faculty advisors. Faculty advisor assignments are posted in the CM Student Services area each semester. All CM students should also see a college advisor in the Office of Student Services several times during their college career to officially update their program plan.

Course Selection

Degree requirements are available in the CM Office of Student Services. Students in the College of Management are expected to complete general education requirements as well as other 100 and 200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing.

Incomplete Courses

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

Pass/Fail Regulations

Students in the College of Management may take elective courses only on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

Non-Management Students in CM Courses

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting. With very few exceptions, which require prior written approval from the CM Office of Student Services, registration in all other College of Management courses is closed to non-management students. Exceptions to enroll in a particular course(s) require a written request to the CM Office of Student Services accompanied by official transcripts of all prior college level coursework.

PHYSICAL EDUCATION
SPRING 1987

Registration Procedures and Information

Registration forms for all Physical Education majors will be available in the Physical Education office (Science Building, 3rd floor) from 8:30 a.m. to 4:30 p.m., Monday through Friday during Advance Registration, December 1–December 5, 1986.

Advising

Faculty will be available in the Physical Education office to assist students with course selection during Advance Registration. It is advisable to call and make an appointment with a faculty member (929-8598).

Students who have completed a semester and have declared a specialization in Physical Education should make an appointment to see their faculty advisor. Faculty advisor assignments may be obtained from the secretary.

All Physical Education majors must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors.

Course Selection

Degree requirements are available in the Physical Education office. Physical Education majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from CAS Academic Support Services, M/3/625.

Any student who is not completing a program in Physical Education may elect up to **four skill development courses** for credit during his/her college career.

Skill development courses may be listed in the schedule booklet as starting the first or second seven weeks. Courses starting the second seven weeks will commence the week of March 30, 1987.

Declared Majors

Registration forms will be available within major departments and must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, December 5th.

EARLY CHILDHOOD EDUCATION
ELEMENTARY EDUCATION
SECONDARY EDUCATION
(Institute for Learning and Teaching)
Spring 1987

Registration Procedure and Information

Registration forms for all Elementary/Early Childhood Majors and continuing Special Students in the Elementary and Secondary Certification Programs will be available from Hannah Gilman in the Office of Student Services ILT (Science Building, 3rd Floor), from 8:45 a.m. to 5:30 p.m. from December 1–5 (to 4:00 p.m. on Friday, December 5).

Any student wishing to register for Elementary Education or Secondary Education courses for the Spring, 1987 semester MUST have the Registration Form signed by Hannah Gilman.

Course Selection and Advising

Hannah Gilman will be available to assist students with course selection on a sign-up basis between 8:45 a.m. and 5:30 p.m. (to 4:00 on Friday) during the week of Advanced Registration.

Elementary/Early Childhood Education majors are required to complete the Core Requiremments as set forth by the College of Arts and Sciences, and to pass the Writing Proficiency Exam.

Pass/Fail Regulation

Elementary Education and Secondary Education courses may NOT be taken on a Pass/Fail basis.

SCHOOL OF NURSING

Registration forms for the School of Nursing students will be available in the School of Nursing Offices (Science Building, 2nd Floor) from 8:30 a.m.–7:00 p.m., Monday through Thursday, and from 8:30 a.m.–5:00 p.m. on Friday, during Advance Registration, December 1 through December 5, 1986. Completed registration forms must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, December 5.

Each School of Nursing student must meet with his/her advisor during the Advance Registration Period to select courses and update records. Students' names and their advisors will be posted at the School of Nursing office.

SENIORS

All seniors must declare their intent to graduate by submitting a graduation form.

Deadline dates for submitting graduation declaration form:

For May 1987 . . . . . December 5, 1986
For September 1987 . . . . . July 1, 1987

Any student whose form is received after the appropriate deadline will be evaluated for the next possible graduation date.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of Registration and Records to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES COURSES LOAD POLICY

Students may enroll for no more than FIVE (5) courses. After the first semester, however, students may take ONE (1) additional course under the following conditions:

(A) The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 (or above).

AND

(B) Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion of the assigned or required class work, or the final examination, has not been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the result of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one full year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes; by the end of the **next spring** semester for spring incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F" and the course cannot be completed.

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

registered for a course, and
did not attend the course during the Add/Drop period, and
failed to drop the course by the published Add/Drop deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action.

THE WRITING PROFICIENCY REQUIREMENTS

Part of the Core curriculum requirement is the demonstration of proficiency in writing. This must be done by the beginning of the junior year (60 credits). The requirement holds for all students who entered CAS as freshmen in September, 1978 or thereafter, or for transfer students who entered CAS in January, 1979 or thereafter.

Proficiency may be demonstrated either by passing a special examination or submission of a successful portfolio.

The Writing Proficiency Examination

The examination is given four times a year. Dates are posted in the Mass Media and in the Office of Academic Support and Advising (M/3/625). A student may sign up a month in advance of the schedule date, and will receive the reading materials upon which the examination will be based. In order to pass the examination, the student must write an acceptable essay based on a question designed to elicit evidence of thorough understanding of the material read, as well as the ability to synthesize the material, draw inferences, and construct a well-organized response in good English.

Note that the Writing Proficiency Examination **is not the same as the English Placement Test** which all students take upon entrance to the College.

The Portfolio

The portfolio offers an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled examination times. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based upon reading materials. The instructor's assignment and affirmation of originality must be included in each case. The fourth paper is a new one, written on a topic and a series of readings distributed by the Office of Academic Support and Advising.

Students who have not satisfied the writing proficiency requirement by the beginning of the junior year will have curtailed schedules until the requirement has been satisfied. Complete details of the regulations are available in the Office of Academic Support and Advising.

MANAGEMENT MINOR FOR CAS STUDENTS

The College will sponsor a minor in management in collaboration with the College of Management. Prerequisites include Econ E101, Econ E102, Math D110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support and Advising. Application Deadline for Fall '87: March 1, 1987.

COLLEGE OF ARTS AND SCIENCES CORE CURRICULUM (Revised)

Students who entered the College of Arts and Sciences prior to Fall 1979 may fulfil the Core I or Core II requirements. For specific information, contact the College's Office of Academic Support and Advising.

THE CORE CURRICULUM

The CAS senate has established a Core curriculum that will constitute approximately one third of the student's total academic program and complement the student's concentration in one field or discipline of study with a general, coherent exposure or introduction to the several areas and disciplines into which liberal learning is organized.

Liberal Learning—the kind of learning that broadens awareness, deepens understanding, poses alternatives, and informs vital decisions—may be divided into seven broad categories, four of which are designated as Core areas and three of which are designated as Core disciplines. Categories designated as areas include the following: I. Historical and Cultural studies concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures. II. Philosophical and Humanistic studies focus on the analysis of concepts and values, social, ethical, religious, and cognitive, and interpret the world through the critical application of such concepts and values to experience. III. Social and Behavioral Sciences—such as anthropology, economics, psychology, politics, and sociology—analyze the world in terms of structures and processes of behavior, of social interaction and institutions. IV. The Arts approach the world through an awareness and use of forms of creative expression such as music, drama, literature, natural sciences, paintings, sculpture and architecture. The three Core disciplines are foreign languages and mathematic and computer languages. V. Natural Sciences seek an experimental understanding and application of the laws that explain natural phenomena, and approach the human world through a study of its natural elements, structures and processes. VI. Foreign Languages provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture. VII. Mathematics and Computer Languages exhibit self-enclosed symbolic systems whose analytic pleasures and practical uses extend our sense of the nature and processes of human thought and the manageability of reality. All seven areas are components of a liberal education. One is not liberally educated without a basic sense of what they are, how they work, and how they may relate to each other.

CORE CURRICULUM REQUIREMENTS

(Students Matriculated Fall 1979—Spring 1985)

The College of Arts and Sciences has revised the Core Curriculum, and these revisions will be in place for Fall Semester 1985. The revised requirements will not apply to any student admitted and matriculated prior to the beginning of the Fall 1985 term. Students admitted to and matriculated in the College between Fall 1979 and Spring 1985 are still required to take 12 courses in six or seven core areas, up to three courses in any one area, otherwise no more than two, and at least three core courses at the intermediate (200) level.

N.B. There are two changes that affect students in this category. Previously all core courses were identified with the prefix "C". Beginning in the Fall 1985 term, Core courses have three different prefixes: "C", "D", and "E". Students may use courses with any of these prefixes to complete the core requirements, but must complete 5 "C" courses. The second change involves waivers; see Core Course listings, Math and Foreign Language.

The Requirements:

1. 1 Year of freshman writing (or gain a waiver by placement exam).
2. 12 Core courses selected from the following seven areas; in any one area, a student may count up to three courses, otherwise no more than two. Three of the Core courses must be at the intermediate level.
   Historical and Cultural Studies
   Philosophical and Humanistic Studies
   Social and Behavioral Sciences
   Natural Sciences
   The Arts
   Mathematics and Computer Languages
   Foreign Languages
   (students electing first-semester courses must complete two semesters in the same language.)

   Any of the following patterns will satisfy the Core requirement:

Seven Areas	Six Areas
2,2,2,2,2,1,1	2,2,2,2,2,2
3,2,2,2,1,1,1	3,2,2,2,2,1

   A student who presents evidence through placement score or transcripts of intermediate proficiency in a foreign language or of work equivalent to college calculus (Math 140, 141) may waive the foreign language or mathematics courses. Students granted a waiver in foreign languages or mathematics need take only 10 Core courses in the remaining six areas, only 1 of which need be intermediate; students granted two waivers need take only 8 Core courses in the remaining five areas, none of which need to be intermediate.
3. All students must pass the writing proficiency examination or present a satisfactory portfolio of papers before the beginning of the junior year (60 credits).

CORE CURRICULUM REQUIREMENTS

(Students Entering or Readmitted) In Fall 1985 And Thereafter

For a statement of the core curriculum and the areas of instruction, see above.

Identification of Core Courses

All courses that satisfy core requirements are identified by a prefix "C", "D", or "E" in their course number. "C" courses offer instruction in writing critical thinking or computational skills within the areas of the Arts, Philosophical and Humanistic Studies, Historical and Cultural Studies and Social and Behavioral Studies. They feature small classes. "D" courses offer basic instruction in disciplinary skills in the Foreign Languages, Mathematics and Computer Languages and the Natural Sciences. "E" courses are electives in all core areas and typically introduce the academic fields within the core areas. C, D, and E courses are offered at both the introductory (100) and intermediate (200) levels.

In the sections of course descriptions appearing later in this catalog, offerings satisfying Core Curriculum requirements are listed first. (To learn which core courses are to be offered each semester, students should consult listings issued by the Office of Registration and Records prior to registration).

Core Requirements

** Twelve courses from no less than six of the seven core areas.
** In any one area a student may count up to three courses, otherwise no more than two.
** Of the twelve courses, students must take:

(i) Three "C" courses at the 100 level.
(ii) Two "C" courses at the 200 level.
(iii) At least three "D" courses.
(iv) The remainder as "E" courses or "D" courses.

Students may count no more than five "C" courses toward the core requirement or toward graduation. This restriction does not apply to students admitted before September, 1985. Those students have the option of satisfying the 12 course requirement with C, D, or E courses in the appropriate areas.

** At least three of the 12 core courses must be taken at the 200 level.

Waivers

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language or of work equivalent to college calculus (Math 140, 141) may waive Foreign Language or Mathematics courses. Students granted a waiver in Foreign Language or Mathematics need take only 10 courses to complete the distribution requirement, students granted two waivers need take only 8 courses to meet the distribution requirements. One of the courses may be a course in Mathematics beyond Math 141 or in Foreign Language beyond the intermediate level.

CORE WRITING REQUIREMENTS

Freshman Writing

All students must take a year of Freshman Writing or gain a waiver by examination.

Proficiency in Writing

Both the overall design of the Core Curriculum and the materials and methods of individual core courses assist students in acquiring proficiency in the skills of writing, of languages other than their own, of mathematics, of the arts, and of science. Foremost among these skills is the ability to use the English language effectively to present ideas clearly, correctly, and persuasively in prose. For this reason the College requires all students to demonstrate proficiency in writing by either passing a Proficiency Exam or submitting a satisfactory portfolio of papers before the beginning of the junior year. Further information about the Writing Proficiency requirement is available from the College's Office of Academic Support and Advising.

Transfer Credits

Approved courses from other institutions offered by transfer students will be accepted for distribution requirements within the relevant core areas. If fewer than 12 courses are accepted for distribution at the time of transfer, the student must complete the remainder of the requirement within the college. Please consult the Director of Transfer Affairs in the Admissions Office for further information.

CREDIT FOR ACADEMIC SKILLS COURSES

Students who need to take Academic Skills courses may take all five courses, but may only count 4 credits towards the Arts and Sciences requirement for a B.A. or a B.S. degree, of these only 2 may be in Math Skills (ACDSKL 033 or ACDSKL 034).

Rise to the top.

You're a nuclear-trained officer. It goes beyond special. It's elite! And your status reflects a job that demands your best. Proving your skills at the heart of today's nuclear-powered Navy.

Over half of America's nuclear reactors are in the Navy. That adds up to more years of experience with reactors than any company in the world, and it means working with the most sophisticated training and equipment anywhere.

College graduates get Officer Candidate School leadership training, and a year of graduate-level training in the Navy Nuclear Power School.

The rewards are top-notch, too. Generous bonuses upon commissioning and also upon completion of nuclear training. Sign up while still in college and you could be earning $1,000 a month right now.

Be one of the most accomplished professionals in a challenging field. Lead the Adventure as an officer in the Nuclear Navy. Contact your Navy Officer Recruiter or call 1-800-327-NAVY.

NAVY OFFICER.

LEAD THE ADVENTURE.

There's an epidemic with 27 million victims. And no visible symptoms.

It's an epidemic of people who can't read.

Believe it or not, 27 million Americans are functionally illiterate, about one adult in five. Forty-seven million more are able to read on only the most minimal level. Together, that's almost 75 million Americans...one third of our entire population.

The solution to this problem is you...when you join the fight against illiteracy. So call the Coalition for Literacy at toll-free **1-800-228-8813** and volunteer.

Illiteracy may be an epidemic, but with a little caring from you, we can stop it.

Volunteer Against Illiteracy.
The only degree you need is a degree of caring.

SEMESTER IN SPAIN

Not just for Spanish majors only, but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career!!

BEGINNER OR ADVANCED — Cost is about the same as a semester in a U.S. college: $3,870. Price includes jet round trip to Seville from New York, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

EXTENDED DAY PROGRAM

Spring 1987

The Schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day" — the late afternoon and evening hours. The majority of these courses begin at 6:00 p.m. (18:00 hours) and meet once a week for two and one half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

In these pages we have3 listed all courses, undergraduate and graduate, according to the academic programs that offer them. We have also listed the undergraduate courses according to the days of the week on which they meet.

Programs Available in the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

Undergraduate

Computer Science
Economics
English
History
Management
Political Science
Psychology
Sociology

Graduate

American Civilization
Bilingual/ESL Studies
Business Administration
Chemistry
Computer Science
Counselor Training
Human Services
Instructional Media
Public Affairs
Applied Sociology
School Psychology
Special Education

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses at the Downtown Center

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Downtown Center in Park Square. Most classes meet once a week for two and one-half hours. These courses are open to all UMass/Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

Registration

To register for an off-campus or Saturday course, you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203). The office is open from 8:00 a.m. to 6:00 p.m., Monday through Thursday and from 8:00 a.m. to 5:00 p.m. on Friday. Continuing Education course fees are computed at the rate of $54 per credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $15 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts MasterCard and VISA for the payment of off-campus and Saturday course fees.

Academic Calendar

Please note that off-campus and Saturday classes begin two weeks later than classes on campus and follow a different academic calendar.

Registration deadline	January 23
Late registration ($20 late fee)	January 26–February 5
Classes begin	Week of February 2
Add/drop deadline	February 5
Vacations	February 15–21
	April 19–25
Midsemester	March 26
Pass/fail deadline	March 26
Withdrawal deadline	April 9
Classes end	Week of May 18
Final exams	Week of May 25

Additional Information

The Division of Continuing Education publishes its own bulletin which contains complete information on the off-campus and Saturday programs as well as other credit and non-credit programs. To obtain a copy and for more information, call, write, or visit the Continuing Education Office (Wheatley 2/203, 929-7900).

PARKING REGULATIONS

THE UNIVERSITY OF MASSACHUSETTS AT BOSTON

General — No person shall allow or permit any vehicle registered in his/her name or under his/her control to park or stand on any street or other area of the campus or other lands of the University in violation of these Rules and Regulations. No vehicle may be parked in any area of the campus not intended for such parking, the person in whose name a motor vehicle is registered will be held responsible for all parking violations.

On the Harbor Campus, parking is restricted to the parking garages and connecting parking lot. Payment for parking shall be made upon exit from the garage.

On the Huntington Ave. Campus, parking is restricted to the Faculty/Staff lot on Huntington Ave., the Staff lots on Palace Rd., and the night student parking in the Boston Latin High School parking lot on Palace Road. Only those with authorized permits are allowed to park in these areas.

There are no University parking areas for the Park Square Campus.

Motor vehicles parked in these areas shall be kept only within the clearly designated parking spaces.

Motor vehicles with evidence of non-use, left in parking areas, streets or other University property for fourteen (14) days or more shall be towed away under the direction of the Director of Public Safety or any University Police Officer, and the owner of the vehicle so towed away shall be liable for the cost of such removal and storage and shall also be subject to the penalties provided in Chapter 90, Section 22B, of the General Laws of the Commonwealth. The owner will also be held responsible for the care and protection of, or damage to, any such motor vehicle and its contents.

Operation of Vehicles on Campus

Speed limit — A) All vehicles will be operated at all times at a speed that is reasonable and proper. B) At no time will a speed on any campus roadway in excess of twenty-five (25) miles per hour be considered reasonable and proper, except as otherwise posted or for vehicles engaged in emergency response. C) At no time shall a vehicle be operated within any campus parking area, or garage or area within which buses are engaged in loading or unloading passengers, at a speed in excess of five (5) miles per hour unless otherwise posted.

Disturbance — No vehicle may be operated so as to cause undue noise or disturbance.

Operating conditions of vehicles — Vehicles parked on any University property must be kept in such conditions of mechanical repair that they can be removed at any time under their own power.

Loading and discharging of passengers — Loading or discharging of passengers is permissible only when a vehicle is at a complete stop at the edge or curb of a travelled way or within a safety or service zone expressly approved for this purpose by appropriate signs and/or instructions.

Eligibility — Permission to operate a vehicle on the campus or other lands of the University is a discretionary privilege bestowed by the Board of Trustees of the University and such privilege may be denied, revoked, suspended or modified by the action of the Trustees or by the officers of the University herein authorized to take such actions under Chapter 15A, Section 13 or Chapter 75, Section 32A of the General Laws.

Any person may operate a vehicle on the campus, provided that person is otherwise eligible to operate vehicles upon the public highways of the Commonwealth. Said vehicles shall be operated and parked in appropriately designated parking places on campus. Vehicles may not be operated on campus unless all outstanding University parking fines and fees have been paid; parking privileges will be revoked, denied, suspended or modified for failure to pay current unpaid University parking fines and fees and such vehicles shall be towed away.

Liability coverage — No vehicle may be operated on the campus or other lands of the University unless the vehicle has met the Motor Vehicle Liability Policy or Bond requirements for the operation and use of motor vehicles upon the ways of the Commonwealth.

Non-resident students — A student's motor vehicle bearing other than Massachusetts registration plates must also be registered with the Massachusetts Registry of Motor Vehicles under the provisions of Chapter 90, Section 3 of the General Laws of the Commonwealth or will be subject to the described penalties. The necessary forms for registration will be available at the University's Department of Public Safety Office.

Limits of liability — The University shall not assume responsibility for any motor vehicle or parts thereof, or its contents while parked or being operated on University property. The registered owner assumes all risk of accident, and the University of Massachusetts shall not be liable for resulting injury to person or loss or damage to property.

Reporting of accidents — All accidents involving motor vehicles which occur on University property shall be immediately reported to the Department of Public Safety Office. This report is in addition to the notification to the Registry of Motor Vehicles of the Commonwealth as required by statute.

The Berkeley Guide To Employment For New College Graduates

By James I. Briggs

In association with the career planning staff of the Career Planning and Placement Center, University of California—Berkeley

Compiled and edited by Robert B. Nelson

Here is a comprehensive and thoroughgoing handbook for the college student directly from the front lines of counselling and guiding thousands of students at one of America's leading universities. Intended for the thoughtful, well-organized undergraduate carefully going over career choices or the panic-stricken senior, soon to graduate, without any clear view of what comes next (or any of the variations to be found in between those extremes). *The Berkeley Guide* draws on the experience of students and counselling professionals to present a workable career planning guide, with nitty-gritty advice on every aspect of job hunting.

The object is very simple—helping the student to success in finding work that one can be proud of and excited about doing—whether the times are good or bad.
